## Certificate of conformity

### *Adestor Laminated*

Our Laminated face stock, used by Torraspapel, S.A. to manufacture all the Adestor Laminated qualities, was examined according to the

- Commission Directive 2002/72/EC relating to plastic materials and articles intended to come into contact with foodstuffs.
- European Standard UNE-EN 71-3 "Safety of toys – Part 3: Migration of certain elements".
- European Standard UNE-EN 71-9 "Safety of toys – Part 9: Organic chemical compounds. Requirements".
- European Parliament and Council Directive 2002/95/EC on the Restriction of the use of certain Hazardous Substances (RoHS) in electrical and electronic equipment.
- European Parliament and Council Directive 94/62/EC on packaging and packaging waste.

We herewith would like to confirm that this product is in compliance with all the requirements mentioned above. It may be safely used to come into contact with foodstuffs by the cellulosic side of the face stock; as well as in toys due to low heavy metals and organic chemical compounds migration.

Furthermore, the product complies with the directive related to packaging and packaging waste and the RoHS in electrical and electronic equipment.

Torraspapel, S.A.
