## Certificate of conformity

### *Adestor PE white*

Our white polyethylene face stock, used by Torraspapel, S.A. to manufacture all the Adestor PE white qualities, was examined according to the

- Commission Directive 2002/72/EC relating to plastic materials and articles intended to come into contact with foodstuffs.
- European Standard UNE-EN 71-3 "Migration of certain elements" (Safety Toys).
- European Parliament and Council Directive 2002/95/EC on the Restriction of the use of certain Hazardous Substances (RoHS) in electrical and electronic equipment.

We herewith would like to confirm that this product is in compliance with all the requirements mentioned above. It may be safely used to come into contact with foodstuffs; as well as in toys due to low heavy metals migration. Furthermore, the product complies with the RoHS in electrical and electronic equipment.

Torraspapel, S.A.  
*Specialty Papers*

*This certificate of conformity has a validity of 2 years and does not constitute any warranty. Responsibilities in the appropriate use of the product relays on the final user.*
