Certificate of conformity

Adestor PVC white

Our white PVC face stock, used by Torraspapel, S.A. to manufacture all the Adestor PVC white qualities, was examined according to the

- Commission Directive 2002/72/EC relating to plastic materials and articles intended to come into contact with foodstuffs.
- European Standard UNE-EN 71-3 "Migration of certain elements" (Safety Toys).
- European Standard UNE-EN 1230 "Paper and board intended to come into contact with foodstuffs – Sensory Analysis".
- European Parliament and Council Directive 2002/95/EC on the Restriction of the use of certain Hazardous Substances (RoHS) in electrical and electronic equipment.
- European Parliament and Council Directive 94/62/EC on packaging and packaging waste.

We herewith would like to confirm that this product is in compliance with all the requirements mentioned above regarding the use in toys due to low heavy metals migration, and the directives related to packaging and packaging waste and the RoHS in electrical and electronic equipment.

On the other hand, this product is not in compliance with the UNE-EN 1230 standard and the 2002/72/EC directive related to food contact.
