Certificate of conformity

Glassine

Our amber, white and blue glassine backing paper, used by Torraspapel, S.A. to manufacture all the self-adhesive complexes included in our product range that require this sort of backing paper, was examined according to the

- Recommendation XXXVI of German BfR Reglamentation “Paper and board for food contact”.
- European Parliament and Council Directive 2002/95/EC on the Restriction of the use of certain Hazardous Substances (RoHS) in electrical and electronic equipment.
- European Parliament and Council Directive 94/62/EC on packaging and packaging waste.

We herewith would like to confirm that this product is in compliance with all the requirements mentioned above. It may be safely used to come in contact with dry and moist, non fatty-foodstuffs; and it complies with the directive related to packaging and packaging waste and the RoHS in electrical and electronic equipment.
