## Certificate of conformity

### *Laser Kraft*

Our laser kraft backing paper, used by Torraspapel, S.A. to manufacture all the self-adhesive complexes included in our product range that require this sort of backing paper, was examined according to the

- Recommendation XXXVI of German BfR Reglamentation "Paper and board for food contact".
- European Standard UNE-EN 71-3 "Safety of toys – Part 3: Migration of certain elements".
- European Standard UNE-EN 71-9 "Safety of toys – Part 9: Organic chemical compounds. Requirements".
- European Parliament and Council Directive 94/62/EC on packaging and packaging waste.

We herewith would like to confirm that this product is in compliance with all the requirements mentioned above. It may be safely used to come in contact with dry and moist, non fatty-foodstuffs; as well as in toys due to low heavy metals and organic chemical compounds migration. Furthermore, the product complies with the directive related on packaging and packaging waste.

Torraspapel, S.A.
