

**SAFETY DATA SHEET ACCORDING TO EEC-REGULATION  
2001/58/EEC**

Date of issue: 20.02.06

Revision:

Page 1 of 5

Product name: ESTUCADO TRIPLE 2C BRILLANTE

Customer: TORRASPAPEL S.A.

Version: 001

**1. Identification of substance/preparation and company****1.1. Description of substance or preparation**

ESTUCADO ESTUCADO TRIPLE 2C BRILLANTE

**1.2. Use of substance or preparation**

2 sides coated paper suitable for offset printing system for brochure &amp; advertising and edition in general.

**1.3. Company****TORRASPAPEL S.A.**

Gran Via de les Corts Catalanes, 678

08010 Barcelona

Tel.: +34 93 482 09 96

**1.4. Emergency Aid / Advice office:****1.4.1. Advice office in case of intoxication:**

Information National Toxicological Service: +34 91 562 04 20

**1.4.2. Emergency phone no.:**

Fire brigade: phone 085 (only Catalonia) – all Spain: phone 112

**2. Composition/ information on ingredients****Chemical characteristic of preparation:**

The product is compound in its majority by cellulose fibre, mineral fillers, pigments and synthetic binders. As minority components and in very small concentrations we found among others, colouring agents, antifoam and OBA.

**3. Hazards classification of product****3.1. For human**

It does not present any danger for the human.

**3.2. For environment**

It does not present any danger for environment.

**4. First aid measures****4.1. Inhalation**

Inhalation is not a possible way of exposure.

**4.2. Skin contact**

If with the handling a small cut takes place, to clean the wound with water and soap.

**4.3. Eye contact**

If with the handling a cut takes place inside the eye, to consult one's doctor.

**4.4. Ingestion**

**SAFETY DATA SHEET ACCORDING TO EEC-REGULATION  
2001/58/EEC**

Date of issue: 20.02.06

Product name: ESTUCADO TRIPLE 2C BRILLANTE

Customer: TORRASPAPEL S.A.

Version: 001

Ingestion is not a possible way of exposure.

**5. Fire-fighting measures****5.1. Suitable fire extinguishing media**

All fire extinguishing media.

**5.2. Unsuitable fire extinguishing media for safety reasons**

Unsuitable means of extinction are not known.

**5.3. Special hazard caused by substance or preparation itself, its combustion or gaseous products**

Special hazards are not known.

**5.4. Special protective equipment for fire fighting**

Use breathing equipment if it is necessary and protective clothes.

**6. Accidental Release Measures****6.1. Personal precautions**

Use protective boots to avoid possible damages with fall of reels or the packets of paper.

**6.2. Environmental protection**

n.ap.

**6.3. Cleaning Procedure**

Pick up the material with mechanical systems.

**7. Handling and storage****7.1. Handling****Advice for safe handling:**

Handling with security and hygienic suitable norms.

**7.2. Storage****Requirements for storage rooms and containers:**

Avoid storage the product near ignition sources or heat to avoid possible fires

Avoid places with electrostatic charges.

Is recommended storage in places with a relative humidity of 50%.

**8. Exposure Controls / Personal protection****8.1. Respiratory protection:**

Respiratory protection is not necessary.

**8.2. Hand protection**

**SAFETY DATA SHEET ACCORDING TO EEC-REGULATION  
2001/58/EEC**

Version: 001

Handling with suitable security norms.

**8.3. Eyes protection**

Handling with suitable security norms.

**8.4. Body protection**

Use clothes only for work. Not use this clothes for other activities.  
Use protective boots.

**9. Physical and chemical characteristics**

**Physical condition:** solid.

**Colour:** white

**Superficial pH:** Aprox. 8 U pH

**10. Stability and Reactivity**

Is recommended that paper has a relative humidity of 50%.

**10.1. Conditions to avoid**

Avoid the ignition sources or heat.

**10.2. Materials to avoid**

Material to avoid are not known.

**10.3. Hazardous decomposition products**

Hazardous decomposition are not known.

**11. Toxicological information**

**Inhalation:**

n.ap.

**Skin contact:**

n.ap.

**Eyes contact:**

n.ap.

**Ingestion:**

n.ap.

**12. Ecology Data**

**SAFETY DATA SHEET ACCORDING TO EEC-REGULATION

**12.1. Eco toxicity**

n.ap.

**12.2. Mobility**

n.ap.

**12.3. Persistence and degradability**

n.ap.

**12.4. Biological accumulation**

n.ap.

**12.5. Other harmful effects**

n.ap.

**13. Waste Disposal Considerations**

**13.1. For the material/ preparation/waste**

The elimination must be made according to the norms for this product

**13.2. Contaminated packaging material**

The elimination must be made according to the norms for this product

**14. Transport Data**

**UN-number:** --

**Road/Rail-transport (ADR/RID)**

n.ap.

**Sea Transport (IMDG)**

n.ap.

**Air Transport (IATA/ICAO)**

n.ap.

**15. Statutory Regulations**

**Classification according to Regulation on Dangerous Substances including EEC-Directives (67/548/EEC and 1999/45/EC)**

**Hazards indications:** it is not a dangerous product
